Benchmark calculations (Year on Year and Month on Month) have been calculated using like for like data sets (only those counters available in both comparison periods) to ensure statistical accuracy

The impact of Covid-19 on footfall means that subsequent to the anniversary of Lockdown 1 (23rd March 2021), it is important to add a further annual comparison of 2021 versus 2019 in order to provide a comparison to the last normal trading year. This comparison is provided on the final pages of this report.
